

KALELKER

**ENT GENERAL
INSTRUMENTS / EQUIPMENT**

AN ISO 9001:2015 CERTIFIED COMPANY

KALELKER

We take pride in introducing ourselves as “**Kalelker**”, the leading manufacturers of quality surgical instruments and equipments in India for over four decades.

Incorporated in 1950, **Kalelker Surgical Industries** has established itself in General Surgery, Gynaec-Obstetrics, Urology, Neuro Surgery, Cardio Thoracic Surgery, ENT Surgery and Laparoscopy Surgery. More than 8000 types of “**Kalelker**” make instruments are supplied to various Government, Semi-Government, Private Hospitals and Nursing Homes across the country.

A state of the art manufacturing unit, near Mumbai, applies stringent quality control measures not only in designs and drawings but also for selecting raw materials, various inline processes, final assembly and working of the instruments. These stringent measures in quality control have resulted in providing quality instruments and thus establishing the “**Kalelker**” brand across the country. This has also helped us to infuse faith and goodwill among our evergrowing list of Surgeon Clients.

Our qualified team of Directors have hands`on experience of production, manufacturing, sales and marketing as well as management. We take pride in mentioning here that our Director Late **Mr. Y. P. Kalelker** held office in the Technical Committee of **Bureau of Indian Standards (ISI)**. We are **ISO : 9001-2015 Certified** for both **Kalelker Surgical Industries & Kalelker Surgicals Pvt. Ltd.** companies.

We have to our credit a young, energetic, talented and trained team to provide wherever and whenever required After Sales Services.

Our strong dealer network enhances our reach even in remote areas with prompt backup and after sales service.

Our sustained venture in providing the required instruments as per the individual surgeons needs in quantity without compromising on quality has enhanced our product range to cater to the complete band width of the surgeons.

With this kind of experience and establishment, we are confident of serving the medical fraternity for the betterment of human life and serving humanity to the best extent possible.
